DIGITAL TRANSFORMATION IN INDONESIA’S EDUCATION SERVICES

Opportunity & Challenges for Higher Education

Prof. Kalamullah ramli, Dr.-Ing.
Chairman, Technology and Strategic Policy Forum
Faculty of Engineering – Universitas Indonesia
### Benefits
- Flexible learning
- Efficient Mode is On
- Most appropriate for archipelagic country like us
- Resource sharing is enabled

### Drawbacks
- Ethics challenge
- Watchdog mode is hard
- Difficult for basic and hands-on engineering
- Digital divide threat is apparent
POLICY AND REGULATORY CHALLENGES

- Accreditation-based Permission
- Standardization of Learning Quality
- Consumer Protection Rules
- Combating Digital Divide → Equal Opportunity
THANK YOU
